ABSTRACT. *Justicia parguazensis* Wasshausen is the correct name in *Justicia* for *Chaetochlamys wurdackii* Leonard.

Paul Berry (MO) has pointed out that I inadvertently added an extra "a" to the new name I published for *Chaetochlamys wurdackii* Leonard in *Novon* 2: 64, 1992.

The epithet I chose is based on the name of the river known as *Rio Parguaza*, spelled incorrectly in the protologue as "Paraguaza," and the name of the species should be *Justicia parguazensis*.

I thank Paul Berry for bringing this to my attention.
